

Here is the text of the proposed resolution:

Whereas the Social Principles in the Book of Discipline proclaim that the United Methodist Church support climates in which communities are maintained and strengthened for the sake of all persons and their growth, and commits the church to move beyond symbolic expressions that do not challenge established systems of power and access to resources. The Social Principles also assert the rights of underrepresented racial and ethnic groups to education and training of the highest quality, and also calls for the empowerment and full participation of these groups in the life of the Church.

Whereas Section IX. The Annual Conference, in the Book of Discipline defines the purpose of the annual Conference as to make disciples of Jesus Christ by equipping its local churches for ministry and by providing a connection for ministry beyond the local church.

Whereas the annual conference by virtue of its office of Connectional Ministries is responsible to focus and guide the mission and ministry of the Church, among other purposes, by developing and strengthening ethnic ministries, including ethnic local churches.

Whereas part of the responsibilities of the Conference Board of Discipleship in the area of Evangelism is to provide the training of clergy and laypersons in ministries of evangelism.

Whereas part of the responsibilities of the Conference Board of Laity is to provide for the training of lay members of annual Conference and to develop lay servant courses developed by district committees.

Whereas there is a provision in the Discipline for the formation of a Conference Committee on Ethnic Local Churches Concerns which functions are defined in #632.

Therefore the following Resolution is presented to the 2019 Memphis Annual Conference for approval and implementation:

1- Determine the formation and immediate implementation in the Memphis Annual Conference of the Conference Committee on Ethnic Local Churches Concerns. The aforementioned Committee shall be formed by the Conference Director of Connectional Ministries, the Chair of the Conference Board of Discipleship, the Conference Lay leader, and by the pastors of the ethnic local churches in the Conference.

2- The Committee shall meet at least twice a year, in the fall and in the spring prior to the annual Conference. The Conference Director of Connectional Ministries shall be the Chair of this committee.

3- The office of Connectional Ministries and the Board of Discipleship, with the input of the Lay leader and the local pastors, shall be responsible for searching throughout the Connection, for

the media and facilitators needed to provide the ethnic churches with material for the formation of lay leaders, tools for evangelism, and Discipleship. The materials and courses shall be presented in the language spoken by the ethnic local church.

4- Funding for these programs shall come from the Memphis Conference budget.

5- The Committee shall present a report to the Annual Conference stating the progress during the past year and defining the goals and projects for the upcoming year.
