

A note from Harry Mathewson:

Thanks be to God for allowing me and Debby to make history in the Memphis Conference; as Debby was the first female candidate to be ordained Deacon. We were the first and only clergy couple to represent both orders of ordained ministry, and for me being the longest serving pastor at Atoka in its 109-year history. And now we shall go forth continuing to make history as God leads us.

Thanks be to God!
