

## Parking and Shuttle Service

### Parking at the Carson Center: (100 Kentucky Avenue)

Parking is available at the Carson Center in 3 facility parking lots. One lot is on the grounds of the center and provides for handicap parking. Two others are across the street on Washington and Marine Way. Golf Carts will provide shuttle service to the Carson Center from these three lots.

Municipal parking lots are located within 1 block of the Carson Center at 3<sup>rd</sup> Street and Kentucky Avenue and at 2<sup>nd</sup> Street and Broadway. Shuttle service will not be available from these lots.

Also, there is ample on-street parking in the downtown area, and it is free of charge. Shuttle service will not be available for on-street parking.

### Parking at Broadway United Methodist Church: (701 Broadway)

Two church lots are available for parking but with limited space because of construction at the church. There is a lot on 7<sup>th</sup> Street and Broadway, across the street from the church, and a lot in back of the church with a covered entrance.

On-street parking is available. Shuttle service will not be available from the lots or from on-street parking.
